If the laws of the governing state so require, all items purchased for resale will be resold by me within the geographical limits of the United States, its territories and possessions, or within the geographical limits of the United Mexican States, in their present form or attached to other taxable items to be sold. I understand that it is unlawful to give a resale certificate to a seller for taxable items which I know at the time of the purchase will be used in a manner inconsistent with the purpose stated in this certificate. I am aware that it is unlawful to present a resale certificate for the purpose of taxable items which are intended for my use, or for any use other than retention, demonstrations, or display, while holding them for sale. I recognize that if I make any other use of such items, I must pay sales tax on the items at the time of use, based on the purchase price.

I acknowledge that the misuse of this certificate may subject me to sanctions and penalties as prescribed by laws of the governing state. For Texas purchasers, I understand that it is a criminal offense to give a resale certificate to the seller for taxable items that I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease, or rental, and depending on the amount of tax evaded, the offense may range from a Class C Misdemeanor to a Felony of the Second Degree. I further understand that if any goods purchased pursuant to the completion of this certificate are determined to be subject to sales or use tax, such tax will be borne by me as purchaser. This certificate continues in force until revoked by written notice to All American Tees, Inc. and the Department of Revenue of the governing state.
